**MAGISTRATE JUDGE'S REPORT AND RECOMMENDATION**

Travis Edward Lunsford filed this pro se civil rights action under 42 U.S.C. § 1983 on November 7, 2005. His complaint was filed in forma pauperis (IFP). (Docs. 1-4.)

On January 11, 2006, the undersigned entered an order directing Lunsford to complete, sign, and return an attached addendum to his complaint by February 10, 2006. (Doc. 6.) To date, Lunsford has not responded to the order by returning the completed and signed addendum. The court's January 11 order has not been returned as undeliverable, Lunsford has not communicated with the court, and a later address for Lunsford does not appear in the file.

I therefore recommend that Lunsford's complaint be dismissed on the grounds that he has failed to prosecute this action or obey an order of this court. *See* Fed. R. Civ. P. 41(b).

**Lunsford has ten days from receipt of this report and recommendation in which to file written objections pursuant to 28 U.S.C. § 636(b)(1). The failure to file timely written objections may result in waiver of the right to appeal questions of fact. Lunsford is reminded that objections must be both timely and specific to trigger de novo review by the district court.**

DATED this 25th day of May 2006.
